

The screenshot shows a SoundCloud player interface. At the top, the browser address bar displays the URL: [https://soundcloud.com/radio-haugaland/gir?utm\\_source=soundcloud&utm\\_campaign=share&utm\\_medium=email](https://soundcloud.com/radio-haugaland/gir?utm_source=soundcloud&utm_campaign=share&utm_medium=email). The SoundCloud logo and navigation options like 'Explore', 'Sign in', and 'Create account' are visible. The main content area features the track 'Dårlig eller manglende service på automatgir' by Radio Haugaland, which is 8 days old. A waveform is shown below the track title. To the right is a video thumbnail of a man in a blue polo shirt holding two cans of cleaning products: '78 Food Grade Anti-Corrosion Grease' and 'OMEGA 78 Food Grade Anti-Corrosion Grease'. Below the track, there is a 'Write a comment...' field and a 'Follow' button. A text box below the 'Follow' button reads: 'Undersøkelser viser at bilverksted gir dårlig eller dropper service på automatgir. - Oljen må også skiftes på automatgir, forteller Terje Tjelland. Bytting av olje på automatgir er en ekstra kostnad som verkstedene dropper for å kunne gi konkurransedyktige priser.' To the right, a 'Recommended' sidebar lists other tracks from Radio Haugaland: 'VII kopiere Nord-Rogaland', 'Vilt påkjørsel', and 'Barnehagefakta.no'. At the bottom, a playback control bar shows the track is at 0:48 of a 2:44 duration.
